Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

0937 '99 MAY -7 P12:30

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My daughter was not herself after
needing hormone replacement at age 29.
Nothing seemed to help her until she
found medium pharmacy. This should be
the right of her and her doctor not some
large company!
